of a... I have

Very truly,

Dear Sir-

I was reading a murder  
story in one of the Nov, 63. issue  
of a Detective Magazine. Also  
noticed their picture of which  
I think might be a coincidence  
of Lee Oswald. I have

compared with a the picture  
in the News papers, though  
I would send it to you.  
As you are attorney it would  
be the proper authority to  
check.

It may not be Lee Oswald  
but I think I should send  
this to you.

I can obtain the issue  
if need be.

Very kindly  
Thanking you,  
Josephine J. Laramie
